Hello everyone, Firstly thank you and feeling very blessed. that I will give new subject I never small speech on the mentioned now you will guessed that after some time. Thank you! Our respected sir given to me am opportunt express the topic and I hope you also love that. (high peach expresive sounds. Before Introducing with my topic I will go with some important things about me or story about my brother. (Clear voice) My name is Onkor Rajan Malawade. I am student of the FYMCA branch from best college in Rotangiri FAMT. "Before 2-3 months one incident happen with my family. brother is Fighting against the death But why he came at situtation. (Deep Voice and powe Ne is also part of Genz world who love to drive faster than light and he just got hit by Car and he not Safety things wearing any type like Helmet bid of now. "He is okay and that why I decide take this road issue my Subjeed and you will guessed it my subject is "Road Sadety". Now, Come to aside our topic and putting story aside 1.19 million accident happen in the rest of world cand it is very larger than peoples who died in the Corna pandamic Okay now. I have that the sourced from some report one best youtube channel from India aho name is Abhin Niyu They says 1264 accident on road happen in India & 462 peoples are in that. Multiple family are harmed from that events. The Indian GDP has also impacted from these event are mentioned by our Road and Safety minister Mr. Nitin Gadkari Sir to interview ANZ news Channels Our Homeminister & Fincance minister also debated on this topic with Mrs. Supriya Sule mam at conderence witween them and some otter apposition also on the serious issue of parties also 53 crashes and 19 deaths happening por hours in India de counties Multiple China are from this crisis. Like Japan & go and suffering Japan ako working on the some of the solutions that also cuark globally and work with Our They (Japan) nation also come with solution like "If your are wearing helmet then Bike connected to that and joined with Zot architecture and stort the Bike". Also the working on also with such similor Ideology with cars. the cars type If you of wear the Belt then your car stort offerwise it shuts down". On the concluding note, I have covered multiple points now, I will give you some of the guidelines for you, • Obey the all traffic signals. • Never drive roughly ve • Wear helmet because they ore or the seatbelt life savers. Thank you me given to all you are your precesious time and Listen me politely. Thankyou Sir.
